

NOTICE

The Comptroller and Auditor General of India will be conducting a Performance Audit on the subject "Effectiveness in the functioning of State Pollution Control Boards" during 2015-16. In case you want to draw attention to any specific problem/issue regarding functioning of Pollution Control Board of your State which is affecting you or the environment around you, please get in touch with us. We would try to address these important issues in our report.

Questionnaire relating to Environment Pollution to be answered by Common Citizens.

1. Are you aware about Pollution Control Board (PCB) in your State?
2. Are you aware of what activities the PCB does?
3. Have you ever approached PCB with any complaints?
4. What are the main sources of Air Pollution in your area?
5. What are the main sources of Water Pollution in your area?
6. What are the main sources of Noise Pollution in your area?
7. What are the main sources of Soil Pollution in your area?
8. Are you aware about Bio-medical waste, Municipal Solid waste, E-waste and Battery Waste? Are you aware about sources of such wastes in your area?
9. Whether there is any plant established for disposal of Municipal Solid waste?
10. Are you aware that Sewage Treatment Plants (STPs) and Effluent Treatment Plants (ETPs) are set up in the state? Have you tried to analyse their effectiveness in Sewage and Effluent treatment?
11. Do you know about highly water polluting industries in the State?
